Was ist das Leben anfang?
Für mich, ein Leben
zwischen Arbeit, das es
nicht erlaubt ankommen,
Da meine, ich habe
nicht die Wille, was ich
alle an mir gemacht
habe.

Is this as you think of
life, it seems like you just
get it and you have to
live it as if it's just
that.

This image shows a blank, aged, cream-colored page, likely an endpaper or flyleaf of a book. The paper has a slightly textured appearance with some minor creases and discoloration, characteristic of old paper. The left edge of the page is bound, showing the inner hinge and some of the adjacent page. The overall tone is warm and slightly yellowed.

A woman with dark hair is sitting on a couch with a floral pattern. She is holding a baby in her arms. The baby is wearing a light-colored outfit. The woman is looking down at the baby. The background is dark and out of focus.
